WHEREAS as part of the 2010-2011 Comprehensive Plan review, the Plan Commission on May 16, 2011 accepted for formal evaluation and consideration a preliminary list of potential amendments to the Generalized Future Land Use Plan Map that were requested by prospective developers or others in order to accommodate a specific proposed development project or future land use; and

WHEREAS the requested Comprehensive Plan map amendment was prepared by Planning Division staff for evaluation and consideration; and

WHEREAS the proposed amendment includes the addition of a map note in Appendix 2-1 of the Comprehensive Plan to provide additional detail regarding the recommended land uses; and

WHEREAS this proposed amendment to the Comprehensive Plan was considered concurrently with a corresponding proposed amendment to the Sprecher Neighborhood Development Plan and with an application to rezone properties within the amendment area consistent with the proposed amended land use recommendations; and
