Fiscal Note

There will likely be a small increase in General Fund revenues derived from new fees for registration of abandoned properties and potential forfeitures for violations. Administration of the abandoned property registry and associated activities can likely be accommodated within existing staff resources, depending on the number of such properties that may ultimately be registered.

Title

Creating Section 27.10 of the Madison General Ordinances to require persons asserting a collateral or other legal or equitable interest in a residential property to register such property with the City if the property is abandoned and to require said persons to inspect, maintain and secure such properties to promote public health, safety and welfare of the immediate neighborhood and the community.

Body

DRAFTER'S ANALYSIS: Vacant and abandoned residential buildings are a major cause and source of blight in neighborhoods when they are not maintained or secured. Abandoned residential buildings attract vagrants and criminal activity and are extremely vulnerable to others using the property without authorization. Frequently persons asserting a collateral or other legal or equitable interest in a residential property (primarily banks and lending institutions) decline to take responsibility for the property during foreclosure proceedings even after they have been made aware that the property has been abandoned. This ordinance is intended to reduce and prevent neighborhood blight, to ameliorate conditions that threaten the public health, safety and welfare and promote neighborhood stability by requiring those persons asserting collateral, legal or equitable

interests in a property to inspect, register, maintain and secure the property if the property is abandoned. This ordinance is modeled after similar ordinances that have been adopted in many cities around the country, including Milwaukee, Wisconsin; San Diego, Chula Vista, Riverside, Inglewood and Palmdale, California; Aurora, Colorado; Richmond, Virginia; and Fort Lauderdale, Florida.

The Common Council of the City of Madison do hereby ordain as follows:

Section 27.10 entitled "Maintenance of Abandoned Residential Properties Pending Foreclosure" of the Madison General Ordinances is created to read as follows:

"27.10 MAINTENANCE OF ABANDONED RESIDENTIAL PROPERTIES PENDING FORECLOSURE.

- (1) Purpose and Scope. The purpose of this section is to establish an abandoned residential property registration program and to regulate the maintenance of abandoned residential properties by parties asserting a collateral or other legal or equitable interest in the property. This section is intended to reduce and prevent neighborhood blight, to ameliorate conditions that threaten the health, safety and welfare of the public, to promote neighborhood stability and residential owner occupancy by preserving the condition and appearance of residential properties, and to maintain residential property values and assessments

- (2) Definitions.

"Abandoned property" or "abandoned premises" means a property that is vacant as the result of the relinquishment of possession or control by a mortgagor or the mortgagor's assigns whether or not the mortgagor or mortgagor's assigns have relinquished equity and title. If there is no direct knowledge of abandonment by the bank, lender or financial institution, property may be deemed abandoned when there is evidence of conditions, taken separately or as a whole, that would lead a reasonable person to conclude that the property was abandoned including, but not limited to, evidence of overgrown or dead vegetation, accumulation of newspapers, circulars, flyers or mail, past due utility notices, accumulation of junk, litter, trash or debris, absence of window treatments such as blinds, curtains or shutters, absence of furnishings and personal items, and statements by neighbors, delivery agents or similarly situated persons that the property is vacant.

"Accessible Structure" means a building or structure that is accessible through a compromised door, wall, window or similar structure and which is unsecured in a manner that allows access to interior space by unauthorized persons.

"Agent" means a person, firm or other entity that is responsible to a bank, lender, other financial institution or individual, for securing, maintaining, foreclosing upon or selling any residential property as the result of loan default or mortgage foreclosure proceedings whether or not the proceedings are judicial or initiated as the result of a power of sale clause in the mortgage document. In this section, agent does not include a servicing company. Except, however, an attorney shall not be deemed to be an agent if that attorney is retained solely to represent a bank, lender or other financial institution in connection with a foreclosure proceeding in a court of competent jurisdiction.

"Financial institution" means any individual, firm, corporation or entity other than a lender or duly constituted bank that asserts a collateral interest in residential real property as the result of an assignment, sale or transfer of a mortgage or similar instrument.

"Foreclosure" means the judicial process prescribed by Wis. Stat. ch. 846 and the process for non-judicial sale authorized by a power of sale clause in a mortgage document.

"Mortgage" means a written instrument creating a lien on real property whereby the mortgagor retains the interest that the mortgagor had at the time of mortgage until that interest is divested by some later act.

"Occupied property" or "occupied premises" means a premises on which any person over one year of age, including an owner or operator, lives, sleeps, cooks or otherwise maintains actual possession.

"Registrant" means the person or entity required to register a property under sub. (4) of this ordinance.

"Residential" means any property or portion thereof, situated in the City, designed or permitted to be used for dwelling purposes, and shall include all buildings and structures located on such property. This includes any real property being offered for sale, trade, transfer, or exchange as "residential" whether or not it is legally permitted and/or zoned for such use.

"Servicing company" means an individual, firm or entity that, as a regular part of its business, provides services to the owner or holder of one or more mortgage liens which services may include collection of payments, creation and administration of escrow and insurance accounts, assessment of late-payment charges, managing loss mitigation, and securing and managing foreclosed properties on behalf of the holder of a mortgage lien or the holder's attorney or agent.

"Vacant premises" means a building that is not lawfully occupied.

(3) Inspection of Residential Property.

(a) Initial Inspection. Whenever a bank, lender or other financial institution shall, directly or through an agent or servicing company, initiate foreclosure proceedings by filing a summons and complaint in Dane County Circuit Court upon residential real property, the bank, lender or other financial institution, either directly or through its agent or servicing company, shall cause a physical inspection to be made of the property not later than thirty (30) days from the date of notice and in no event later than thirty (30) days after the filing of the summons and complaint. One or more photographs shall be taken of the residential property accurately portraying the condition of the exterior premises. Photographs shall be dated and preserved.

(b) Periodic Inspections. Any bank, lender or financial institution, or its agent or servicing company, shall perform a re-inspection of a residential premises subject to foreclosure proceedings at least once every thirty (30) days following the initial inspection until such time as the property is no longer in default as a result of agreement with the owner, or is sold at a sheriff's sale or is otherwise lawfully conveyed to a new owner. One or more photographs shall be taken at each re-inspection and shall be dated and preserved in the same manner as is required upon initial inspection.

(4) Registration of Abandoned Residential Property.

- (a) If, upon inspection of residential property required by sub. If the registrant, or party with a duty to register, fails to comply with the order of the Building Inspection Division within ten (10) days unless the violation is subject to the summary abatement process, the registrant, or party with a duty to register, shall be held liable and punished in the same manner and to the same extent as the owner of the property if the unabated condition is found to be in violation of the following:
