WHEREAS, the City is in the process of executing a formal Memorandum of Understanding with CGW and Dane County UWEX to define roles for the parties, especially for fundraising, land security, and long-term sustainability of gardens programming; and

WHEREAS, CGW is under contract with the City to be the primary administrator of community gardens programming, including providing staff time and general leadership to the daily operations of the program, and to provide programming specifically to gardens within low and moderate income areas; and

WHEREAS, one of the important roles of CGW in the new programming is to serve as the lease and insurance holder for all gardens on city-owned land to ensure the security of gardens' land; and
