Title

SUBSTITUTE Approving the Creation of and the Project Plan and Boundary for Tax Incremental District (TID) #46 (Research Park), City of Madison.

Body

WHEREAS Chapter 105 of the Laws of 1975 of the State of Wisconsin created the Tax Increment Law, Section 66.1105, Wisconsin Statutes; and

WHEREAS said Law sets forth certain steps which must be followed to create a Tax Incremental District and approve a Project Plan and Boundary; and

WHEREAS Tax Incremental District (TID) #46 is described below; and

WHEREAS a Notice of Public Hearing by the Plan Commission to afford interested parties an opportunity to express their views on the creation of the TID Project Plan and Boundary for TID #46 was published in the Wisconsin State Journal on July 24 and July 31, 2015 as required by said Law; and

WHEREAS prior to publication of the Notice of Public Hearing a copy of the Notice was sent by first-class mail to each of the chief executive officers or administrators of all local governmental entities having the power to

levy taxes on property within the proposed TID #46 Boundary; and

WHEREAS the Plan Commission of the City of Madison held a public hearing on August 10 24, 2015, at which interested parties were afforded an opportunity to express their views on the proposed creation of the Project Plan and Boundary for TID #46; and

WHEREAS the Plan Commission has made the following findings as indicated in the attached report:

1. No less than 50%, by area, of the real property within the TID is suitable for mixed use within the meaning of 66.1105(2), Wisconsin Statutes.
2. The improvement of such area is likely to significantly enhance the value of a substantial portion of the other real property in the TID.
3. The aggregate value of equalized taxable property of the TID, plus all existing TIDs, does not exceed 12% of the total value of equalized taxable property within the City.
4. Tax Incremental District #46 (Research Park) is hereby declared a mixed use district.

WHEREAS the Plan Commission has determined that the TID meets the basic requirements of City TIF Policy for tax incremental district proposals adopted by the Common Council on April 17, 2001, amended on March 31, 2009, and amended again on February 25, 2014 (insofar as they are applicable to the creation of a district boundary and a project plan), conforms to the Comprehensive Plan for the City of Madison and is consistent with the review criteria adopted at the same time, specifically, that the TID supports economic development activities intended to stabilize and diversify the City's economic base.

WHEREAS prior to review by the Plan Commission, City Staff has revised the Project Plan to include minor map revisions.

NOW THEREFORE BE IT RESOLVED that the Common Council of the City of Madison finds that:

1. No less than 50%, by area, of the real property within the TID is suitable for mixed use within the meaning of Section 66.1105(2), Wisconsin Statutes.
2. The improvement of such area is likely to significantly enhance the value of a substantial portion of the other real property in the TID.
3. The aggregate value of equalized taxable property of the TID, plus all existing TIDs, does not exceed 12% of the total value of equalized taxable property within the City.
4. TID #46 (Research Park) is hereby declared a mixed use district.

BE IT FURTHER RESOLVED that TID #46 (Research Park), City of Madison, is hereby created as of January 1, 2015, and that the boundaries for said TID are as below-described and as described in the Project Plan and that the boundaries of said TID include only whole units of property assessed for general property tax purposes.

BE IT STILL FURTHER RESOLVED that the attached Project Plan for TID #46 (Research Park), City of Madison, is hereby adopted as the Project Plan for said District and such plan is feasible and in conformity with the Comprehensive Plan for the City of Madison and will add to the sound growth of the City.
