Title

Amending the 2016 Capital Budget of Stormwater Utility to Correct the Funding of Project 10924, LB Lands Purchase.

Body

PREAMBLE

WHEREAS resolution RES-15-00511 was adopted in 2015 to acquire the Garver Replacement Property/LB

Lands parcels; and

WHEREAS the adopted resolution had the Stormwater portion of the project paid for entirely with utility reserves; and

WHEREAS the purchase is actually part of the project plan for the Lower Badger Mill Creek Impact Fee District and therefore should have been partially funded with Impact Fees; and

WHEREAS, even though the land has already been purchased, in order to correct the funding for the project, the 2016 Capital Budget has to be amended.

NOW, THEREFORE, BE IT RESOLVED that the 2016 Capital Budget of Stormwater Utility is hereby amended to correct the funding of Project 10924 to be funded with 87.79%% Impact Fees and 12.21% Utility Reserves.
