Fiscal Note

The annualized cost of the proposed recreated position is \$6,000 (including benefits). The impact on the 2017 budget is approximately \$2,300. The 2nd quarter projection estimated that the Police Department's budget will be over approximately \$1 million at the end of 2017, due to overages in fringe benefits which are beyond the Department's control. The mid-year appropriation added \$0.5 million to the Police Department fringe benefits budget. If this deficit continues, it will need to be covered by other general fund appropriations.
