Title

SECOND ALTERNATE Amending 9.13(6)(n) of the Madison General Ordinances creating new Late Night Vending Zone F, creating a process for trial period late night vending zones for the 2017-2018 season, and eliminating Late Night Vending Zones A and B..

Body

DRAFTER'S ANALYSIS: Under current law, street vendors holding a Late Night Vending license and a site assignment in one of the five Late Night Vending areas can sell food from vending carts from 9 p.m. to 4 a.m. daily. This alternate amendment eliminates current Late Night Vending Zones A and B. This alternate amendment creates new Zone F on North Lake Street at University Avenue, and creates a process for "trial" late night vending zones to be established only during the 2017-2018 season. Trial zone(s) can be added to the Late Night Vending map without Vending Oversight Committee (VOC) approval.

The Common Council of the City of Madison do hereby ordain as follows:

1. Paragraph 3. entitled "Late Night Vending Areas" of Subdivision (n) entitled "Late Night Vending (LNV) Areas" of Subsection (6) entitled "Regulations and Procedures for Vending on the State Street

Mall/Capitol Concourse” of Section 9.13 entitled “License For Selling on Public Streets” of the Madison General Ordinances is amended by amending therein as follows:

Zone A is located on the west side of the 300 block of North Frances Street as shown on the official LNV map approved by the VOC and on file at the Office of Business Resources (“official LNV map”). A maximum of one (1) licensed Late Night Vendor may vend from a legal parking space within Zone A at any one time. Only a licensed Late Night Vendor who has been assigned to Zone A may vend in Zone A, and the vendor will be assigned to this zone by seniority under Sec. 9.13(6)(n)4.b. 2017-2018 Trial Zones. During the 2017-2018 vending season, the Director, or designee, with the written approval of the Chief of Police or designee, may establish Late Night Vending Zones within or outside the Mall/Concourse Vending Area (but not in a residential zoning district) that provide adequate legal parking space(s) for currently licensed late night vendor(s) who agree to move from their assigned Zone or site to the Trial Zone for some or all of the vending season. Only a licensed Late Night Vendor who has been assigned to a trial zone may vend in a trial zone. Assignment of a vendor to a trial zone shall be at the discretion of the Street Vending Coordinator.
