Sixteen proposals were submitted: three organizations submitted proposals for affordable housing development, four organizations submitted proposals for housing services programs, and two organizations submitted proposals for homebuyer education programs.

At its November 3, 2022 meeting, the CDBG Committee reviewed the proposals and recommended the following:

collaboration with Madison Area Community Land Trust, Inc., to support the development of two permanently affordable owner-occupied single-family homes to be sold to income-qualified first-time homebuyers. - Allocate up to \$600,000 in AHF funds to Kaba Baal, LLC in collaboration with Madison Area Community Land Trust, Inc., to support the development of four permanently affordable owner-occupied homes to be sold to income-qualified first-time homebuyers in the Owl Creek neighborhood and authorize the current owner, the City of Madison, to sell the lot located at 5165-73 Great Gray Drive to Kaba Baal, LLC.

(Habitat for Humanity relies on its own financing and thus no additional City allocation is required).

This Resolution is intended to authorize the commitment of City and federal funds and authorize the sale of City of Madison owned lots, to the designated developers and agencies, and in the amounts specified and the lots described, for project proposals selected through this year's RFP process.
