Dear Plan Commission Members,

Two weeks ago I asked you to hold the line on staff's recommended compromise of 35% first floor retail for the proposed project at the 1100 block of Regent.

You did so, referring the matter to today's meeting.

The developer has come back with a plan to accommodate the stipulated 35%, for which I'm grateful.

Accordingly, I no longer am opposed to this project and ask you to please approve it as well.

Thank you.
