Thank you Leslie,
I appreciate your time on this. I would like to formally share through this email my husbands and I comment on this project. I now have a meeting and am not able to attend in person.

Luann and Willie Wiliams, 1338 Forster Dr, Madison, WI, strongly oppose this project for Forster Dr. We will not participate in the project nor pay for anything that results in modifying our home, driveway or other connections. We do not have any problems with our water, sump pump or other things with our home or yard. We appreciate all the information shared and opportunity to share our concerns and comments. We hope there will be further discussion and thought around this project, there are other factors to consider, one being any pipe in the group that connects to a water source may freeze, and that would cause major problems with people's homes. Our pipe freezes and we need to unattach it, which defeats the purpose of how the water will drain for this project. There are other things as well that we hope will be discussed more.

Thank you,

Luann and Willie Wiliams

Luann,

It looks like your letter may have gotten lost in the mail. The attached letter went out in the mail on April 8th.

There are two ways to attend the public hearing. Option 1 is to request an observer-only invitation [here](#). Option 2 is to register an opinion (support/oppose/neither) regarding an item on the agenda [here](#). The same link can also be used to sign up to speak at the public hearing. Registrants to speak get 3 minutes each. Forster Drive is item 5 on the agenda.

The meeting will start at 4:30 but the public hearings for special assessments will not open until 5:30 (or when the item currently under discussion at 5:30 concludes). You will be sent a Zoom meeting link and can join or leave at any time.

If you would like to submit a written public comment, reply to this email and I will forward it on to the board.

Regards,

Lesley Parker

Hello,

I am writing to request virtual access to the meeting on 4/21/21 with the City of Madison in regards to the proposed work for Forster Drive. My husband and I live on Forster Dr and do not want to be part of the proposed project, as it does not affect us. We would like to voice our stance and concerns at the meeting as we were not notified of the most recent meeting this week. We appreciate your time and information on how to attend the meeting on 4/21/21.

Thank you.

Luann and Willie Williams
