

Business Plan & Plan of Operation

Legal Entity: 16 North Carroll LLC

Trade Name: Historian Hotel (Marriott Tribute Portfolio)

Location: 16 North Carroll Street, Madison, WI 53703

License Type: Class "B" Combination Liquor & Beer (Hotel)

I. EXECUTIVE SUMMARY

16 North Carroll LLC proposes the operation of a premier 81-key lifestyle hotel within the landmarked Churchill Building. This development revitalizes Madison's first skyscraper into a sophisticated urban destination. The beverage program will serve as a high-end amenity for hotel guests and a curated social space for the Capitol Square community, prioritizing public safety and historic preservation.

II. PREMISES & CAPACITY

The licensed premises comprise approximately 49,250 square feet across nine floors.

Ground Floor Culinary Concept: A signature restaurant, The Gallery, led by acclaimed Wisconsin culinary talent, featuring a full-service bar.

- **Meeting & Event Rooms:** There is one meeting/event room, The Quorum, located on the second floor, which will be supported by the food and beverage service on the ground level. Additionally, a small retail space will be available on the ground floor with intent of selling packaged goods including alcohol.
- **Fitness Center:** A well-designed hotel gym providing a dedicated, clean, and accessible space with a balanced mix of cardio machines, strength training equipment, and stretching areas.
- **Outdoor Seating:** Subject to City of Madison requirements, the hotel intends to operate a seasonal outdoor seating area adjacent to the restaurant, The Gallery, during appropriate months of the year.

III. STAFFING STANDARDS

1. Appointed Agent: A qualified agent, meeting all Wisconsin residency requirements, will oversee all alcohol-related operations.

2. Mandatory Training: Every employee involved in the sale or service of alcohol must complete a Wisconsin-approved Responsible Beverage Server course and all bartenders will hold the

required Operator license. 16 North Carroll LLC will maintain a central database of certifications to ensure no staff member operates without valid credentials.

IV. Hotel Management Agreement

- **History:** The hotel will be operated by First Hospitality, a premier management company with over 40 years of industry experience and extensive operational history in Wisconsin. Their proven expertise spans full-service hospitality management, including comprehensive food, beverage, and compliant liquor operations.
- **Management:** First Hospitality maintains established operating procedures and staff training programs to ensure responsible alcohol service and compliance with all applicable laws and regulations.

V. Compliance Protocols:

- **Strict ID Verification:** Enforced ID-checking policy for all patrons appearing under age 40.
- **Refusal of Service:** Staff are trained and authorized to refuse service to any individual showing signs of intoxication to maintain a safe environment.

VI. PUBLIC SAFETY & SECURITY PLAN

- **Surveillance & Monitoring:** The property will operate a continuous digital surveillance system monitoring public access points, common areas, and perimeters. In accordance with law enforcement cooperation standards, management will provide the City of Madison Police Department with full, unrestricted access to all live on-site security feeds and recorded archival footage immediately upon lawful request during active investigations or public safety emergencies. Management and ownership fully commit to establishing a cooperative partnership with local law enforcement.
- **Access Control:** Pursuant to the operational regulations for lodging and licensed establishments within the City of Madison, the premises will maintain professional staffing 24 hours a day, 7 days a week. On-site personnel will provide continuous, uninterrupted property management, guest supervision, and facility security.
- **Neighborhood Harmony:** 16 North Carroll LLC is committed to a zero-impact noise policy. All entertainment will be ambient and contained within the building envelope to respect the mixed-use nature of the downtown district.

VII. COMMUNITY & ECONOMIC IMPACT

- This project represents a significant investment in Madison's historic core, driving tourism and creating permanent hospitality jobs through unique lodging experience. Our establishment is deeply committed to sustainability and regional growth by prioritizing Wisconsin-based partnerships. To ensure the highest quality and freshness for our guests, we utilize a hyper-local supply chain that sources food ingredients and beverage products—including produce, meats, craft beers, wines, and spirits—directly from regional farmers, growers, distilleries, and breweries. This approach minimizes our carbon footprint while directly reinvesting in the state's agricultural and craft beverage economies.

THE GALLERY

For The Gallery, this heritage menu pays homage to Wisconsin classics but with bold new flavors and unique presentations. The breakfast and lunch menus take inspiration from the core dinner menu - limited in selections to focus on "best of" items for morning and mid-day. The Quorum menu is as much about cuisine as it is performance, with several items that will deliver a bit of theater to private dining events.
