FROM: Bradley J. Murphy, Planning Division Director

DATE: April 5, 2007

SUBJECT: Item 1 Legislative File #05574 Accepting the Department of Planning and Development Reorganization Report with its Recommendations

On the agenda is the resolution accepting the Department reorganization report and its recommendations. This resolution has been on the Plan Commission agenda several times and, because of the length of the agendas, the Plan Commission has not had a chance to finish its discussion on the resolution.

We have placed the resolution on the agenda as the first item of business and expect that the Plan Commission will be able to take this item up at 5:30 and hopefully complete its discussion and make a recommendation to the Common Council on the resolution. Please come prepared with your comments so that we can complete this item. Please bring with you the 115-page document which goes along with this item if you wish, as we did not copy it again as part of this packet.
