RE: Wellesley Square Condominium Storm Water Drainage

The City of Madison Engineering Division proposes to alleviate storm water flooding in the entrance to Wellesley Square Condominium. Currently, the volume of water entering the storm system is restricted by the limitation of inlets. Two terrace inlets will be installed to increase inlet capacity, improve current conditions, and increase the volume of water discharging the 36" pipe downstream. However, the increase of storm water entering the storm system will increase the energy grade line in the pipe system and thus causing water to backup through the 15" storm pipe serving the parking lot. Hence, a backflow preventer will be installed within one of the terrace inlets on the existing 15" pipe serving the parking lot grate. In coordination with the proposed work in the right-of-way, City Engineering deems it necessary to upgrade the existing inlet structure serving the Wellesley Square Condominium parking lot. The work associated with the upgrade will be removing the existing structure, installing a new structure with a new grate, and placement of asphalt around the structure. The estimated cost of this assessable portion of the project is \$2,250.00 or \$187.50 per condominium. A breakdown of the associated costs is included with this letter.

The City of Madison proposes to recover these costs as a special charge, which will be collected with tax bill to individual condominium owners, which will be sent to you at the end of 2008.

It will be necessary for the contractor to enter the Wellesley Square Condominium property in order to facilitate removal and installation of the new storm sewer structure. The temporary right of way entry will terminate upon the completion of work. Please sign the enclosed Right of Entry form and send it to this office no later than February 15, 2008 if you wish to proceed with this project. Please note that the form will require being signed in front of a notary public. We have several notary publics on the City Engineering staff in this office, Room 115 City-County Building 210 Martin Luther King Jr. Blvd., if you would like to stop by during the work day 7:30 A.M. to 4:30 P.M. Once we have received the right of entry, we shall schedule assessment hearings for March 5th and March 18th.

Included are copies of the exhibits that have been presented at prior meetings. If you have any questions or comments, feel free to contact John Reimer of my staff at 266-4094.

Attn: John Reimer

Sincerely,

for Larry D. Nelson, P.E.

This instrument drafted by: City of Madison Engineering Division

RIGHT OF ENTRY

Wellesley Square Condominium Association
("Owner"), being the owner of the property hereinafter described (the "Property"), in consideration of the sum of One Dollar (\$1.00), the receipt whereof is hereby acknowledged, grants and conveys to the **City of Madison** (the "City"), a Wisconsin municipal corporation located in Dane County, Wisconsin, its agents and contractors, a Right of Entry in the Property for the purpose of construction activities associated with Engineering Project No. 53W0409 Waterways - 2007- (Vernon Ave.), including the right of excavation, ingress and egress and the right to operate necessary equipment thereon.

RETURN TO: City Engineering
210 Martin Luther King Jr. Blvd. Room 115
MADISON WI 53703

Tax Parcel No.: 251/0710-102-1501-2

LEGAL DESCRIPTION:

The South twenty (20) feet of the West sixty (60) feet of Lot 1 and the North five (5) feet of the West sixty (60) feet of Lot 2, East Meadowood Downs, located in the Northwest ¼ of Section 10, Town 7 North, Range 10 East, City of Madison, Dane County, Wisconsin.

By accepting this Right of Entry, the City agrees, as required by Wisconsin law, to pay any liabilities arising out of its Right of Entry whenever those liabilities result from an act or omission of a City employee, contractor or agent acting within the scope of their authority.

This Right of Entry shall terminate upon completion of the necessary work associated with Engineering Project No. 53W0409 Waterways-2007 (Vernon Ave.) or December 31, 2008, whichever occurs first.

Dated this 8 day of February, 2008.

RE: 801 Fairmont Avenue

Dear Property Owner,

City of Madison Engineering has been made aware of a drainage problem within the area of your property. Our solution shall include extending a storm inlet to the northwest corner of Mayfair Ave. & Home Ave., then ditching along the north side of Home Av. to Fairmont Av.

Presently, the driveway culverts within this block have failed or no longer function properly. Property owners are responsible for maintenance and replacement of driveway culverts. Please be advised that you are hereby ordered to replace your culvert on or before August 15, 2008. You may request that the City contractor do this work and assess the cost to you. Attached is our estimate of cost if you choose that route.

If you choose to do the replacement privately, you must coordinate with the City staff so that we can stake the elevation for your culvert to function with the City's drainage work.

Please review this matter at your earliest convenience. A copy of the planned work is also attached.

Contact mike Dailey of my staff at 266-4058 with any questions and inform him no later than July 18, 2008 how you intend to proceed.

Sincerely,

Larry D. Nelson, P.E.
City Engineer

WAIVER OF SPECIAL ASSESSMENT
NOTICES AND HEARING UNDER
SECTION 66.0703(7)(b), WIS. STATUTES

We, the undersigned, being an owner of property benefited by the following proposed public improvement made by the CITY OF MADISON, of Dane County, Wisconsin, to-wit: Install private driveway culvert within the public right of way of Home Avenue, including related restoration of driveway with blacktop - in consideration of the construction of said improvements by the City of Madison agree as follows:

- 1) In accordance with Section 66.0703(7)(b) of the Wisconsin Statutes, we hereby waive all special assessment notices and hearings required by Section 66.0703(7)(b) of the Wisconsin Statutes, and we further agree that the benefit to our property from the construction of such improvement is \$3400.00 which we may elect to pay in eight (8) equal successive annual installments to be paid with the general taxes beginning with the year 2009.
- 2) The City of Madison shall have the right annually during the payment period above specified, to place an amount equal to one-eighth (1/8) of said charge above specified, together with interest on all unpaid balances thereof at the prevailing interest rate on the tax roll to be collected together with the general taxes in the same manner as if said charge had been levied as a special assessment against the property and as if the said annual amounts were installments of special assessment.
- 3) In the event of a default in the payment of any of the said eight (8) annual installments above specified, the collection of the same may be enforced by the City of Madison either by an action for debt, by sale of the property for nonpayment of taxes or by discontinuation of service.
- 4) Our address is 801 Fairmont Avenue, Madison, WI 53714 and our land is described as follows:

Parcel Number 0810-324-1507-9, LEXINGTON PARK FIRST ADDITION, Lot #8.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this 11th day of Aug, 20 08.

RE: Culvert Replacement at your Condominium

On July 2, 2008, we sent a letter to your condominium association regarding an upcoming storm project and the need to replace the condo's driveway at the owner's expense.

Since that letter, Lora L. Ott representing the condominiums contacted Mike Dailey of my staff. She stated that it was the owner's preference that the City do the work and assess the costs. She further requested the option of spreading payments over several years.

Enclosed please find a waiver of assessment form that would allow us to charge one half of the cost of the private work to you, up to \$1,700.00. The waiver also provides for payment over eight (8) years. Please execute this document in the presence of a Notary Public and return the document no later than July 31, 2008.

If easier, you can bring the document to our office to execute, as we have a Notary available.

Feel free to direct any questions to Mike Dailey at 608-266-4058

Sincerely,

Larry D. Nelson, P.E.
City Engineer
