

# Wisconsin Department of Children and Families

## Early Care and Education Listening Sessions

**The Department of Children & Families is seeking your input!!**

**The Division of Early Care and Education will be hosting a second round of listening sessions across the state with child care providers, parents and other key stakeholders. These sessions will focus on several key initiatives including a Quality Rating & Improvement System, an Automated Attendance System and efforts to address Program Integrity. The department is seeking your input on these initiatives in order to help shape the future direction of early care and education in Wisconsin.**

**Cooperative collaboration is essential to fulfilling our department's mission of promoting the economic and social well-being of Wisconsin's children and families. Together, we can ensure that every family has access to stimulating, educational and secure early care for their children.**

**The Department of Children and Families and the Division of Early Care and Education values your input. Please come and share your thoughts, concerns and ideas with Division Administrator, Dan Harris.**

**We look forward to lively and engaging discussions in the weeks ahead.**

**\*All listening session times, dates and locations are listed on the opposite side of this page.**

**\*Prior to the session, please contact Courtney Sullivan at 608-266-1518 or [CourtneyK.Sullivan@wisconsin.gov](mailto:CourtneyK.Sullivan@wisconsin.gov) if special accommodations are needed.**
