★ Wood sign made out of glued strips of wood, about 2" wide. Sign is curved to follow the curve of the building.

★ "Nostrano" lettering made out of steel or aluminum. Letters are 3-dimensional, and about 1.75" thick. The backside of each letters is open and rope lighting snakes through each letter form creating edges that glow, and highlight the three-dimensionality of the letters. Each letter is individually attached to wood sign.
