Event Information

Name of Event: UW-Madison Engineering EXPO **Event Type:** One Day

Estimated Attendance: 2000 **Is this a new event:**

Event Additional Information

Run/Walk: **Music/Concert:**

Festival: **Rally:**

Parade: **Posting no parking signs or bagging meters?**

Other:

If other, please describe: Engineering EXPO is an event held on the UW-Madison Engineering Campus. On the first day of this event, approximately 1500 middle schoolers visit the engineering campus in a field trip format. They arrive on buses in the morning and depart in the afternoon.

Site Map

Each event application must include a detailed event site map with the following items a applicable:

- Accessible paths for wheelchairs as well as disabled parking spaces
- Dumpsters
- Emergency vehicle access lanes (minimum of 20')
- Event Perimeter
- Garbage and Recycling - cleanup and trash/recycling plans are required with the site map
- Portable toilets
- Signage
- Stages
- Temporary Structures
- Tents
- Vendors

A helpful online resource for route mapping is: [Map My Run](#)

I understand I must attach site map and route map with this application, if applicable:

Location Information

Capitol Square:

State Street Mall (700/900):

30 on the Square:

Other:

Street Names and Block Numbers:

Event Dates

| Setup Date | Setup Time | Event Start Date | Event Start Time | Event End Date | Event End Time | Cleanup Completed Date | Cleanup Completed Time | Rain Date |
|------------|------------|------------------|------------------|----------------|----------------|------------------------|------------------------|-----------|
| 04/19/2024 | 7:00 AM | 04/19/2024 | 9:00 AM | 04/19/2024 | 2:00 PM | 04/19/2024 | 4:30 PM | |

Temporary (Picnic/Beer) Licenses

Will there be Public Amplification?(\$):

| Start Date | Start Time | End Date | End Time | Rain Date |
|------------|------------|----------|----------|-----------|
|------------|------------|----------|----------|-----------|

SAFETY AND SECURITY

- Complete the Emergency Action Plan (EAP) template below to provide information about the safety plan for your event.
- For large events, contact [Madison Fire](#) prior to submitting the street use permit application, so they can review and make recommendations for additional emergency plan requirements.
- At the review of the street use permit application, Police and Fire Department representatives may also require [Special Duty Police Officers](#) or Fire Inspector staffing at your event. If MPD designates an event as a District Event, the organizer must contact [Central District MPD](#), (608) 266-4482, regarding Madison Police requirements for the event.

Emergency Action Plan [PDF/ MS Word](#)

RUN/WALK EVENTS

For run/walk events, organizers are strongly encouraged to contact [Police](#), [Traffic Engineering](#) and [Madison Metro](#) prior to submitting an application so these agencies can review and make recommendations on the proposed route(s).

I understand that I must submit the Emergency Action Plan:

Equipment Rental - Downtown events only.

Will you need equipment rental from the City of Madison?(\$):

No

Trash Barrels:

Recycling Barrels:

Dumpsters:

Electrical Adaptors:

Marketing

Conditional approval of the event is required before promoting, marketing or advertising the event.

Do you want this included in the Madison Parks calendar of events?:

No

- Estimated 2000 attendees – mostly local middle school students

Saturday, April 20th from 9:00am to 2:00pm

- Estimated 1500 attendees – mostly families

Event Location

UW-Madison Engineering Mall

Buildings:

- Engineering Hall
- Mechanical Engineering
- Engineering Centers Building
- Materials Science & Engineering Building

Event Overview

Engineering EXPO is a two-day event held annually at the University of Wisconsin-Madison's College of Engineering. EXPO is run entirely by students and has historically brought around 5,000 visitors to campus annually. Participants at EXPO include Fortune 500 industry leaders, engineering student organizations on campus, individuals displaying their engineering projects and ideas, and thousands of students and members of the community. Over the two days of EXPO, elementary schools, middle schools, and high schools are invited to explore what engineering involves. Each day the event is open to the public and we encourage public engagement throughout the event.

Severe Weather

- Before the event – If severe weather is predicted prior to the event, the EAP event representatives will evaluate the conditions and determine if certain event activities need to be canceled or moved inside.
- During the event – if severe weather occurs during the event, the EAP event representatives will make notification to those attending the event that a hazardous weather condition exists and will direct attendees into the buildings.

Fire

- Event personnel have been in contact with the Madison Fire Department to identify any specific hazards and how we will address these hazards.
- There will be NO cooking at the event.

Tent Details

- A tent will be set up on the lawn between Parking Lot 17 and Engineering Hall
- Set up will be on Thursday, April 18th at 4:00 pm and it will be taken down after the event on Saturday, April 20th at 4:00 pm.
- The tent is 40' x 60'
- Under the tent, there will be an area (30' x 60') with 18 tables and 106 chairs. This area has an occupancy limit of 120 persons. The remaining area (10' x 60') will be standing room with an occupancy limit of 120 persons. The total occupancy limit of the tent is 240 persons.
- There will be 2 fire extinguishers provided by the Safety Department located in the tent.

FIRST-AID & Lost Children

- A table will be set up beneath the overhang at Engineering Hall where visitors can go to receive basic First Aid. This area will also serve as a meeting point for chaperones and lost children. The student organization Student Emergency Medical Services will have volunteers staffing the table during the event
- In the case of a medical emergency, authorities will be contacted.

Law Enforcement

- Law Enforcement will be made aware of the event
- We will not be staffing officers to help with traffic on Breese. Students should not cross the street to load buses.

Transportation and Parking

Buses:

- On the first day of the event, Friday, there will be 40-50 buses dropping off approximately 1,500 middle school students for the event. Buses will drop and pick up students on the east side of Breese Terrace by the staircase leading down to Engineering Mall. A Street Use Permit WILL BE submitted and approved by the city for no parking on Breese Terrace for the event. This will relieve traffic congestion on the road and will not interfere with Metro Bus routes.

Cars:

- Guests arriving by car will be responsible for finding their own parking on streets and in the ramps located around the engineering campus.

Volunteers

Will be responsible for the following:

- Set up and takedown
- Unloading and loading of buses
- Help with pedestrian traffic and safety
- Clean up
