Description of premises

MonsoonSiam is a Thai restaurant who wants to present Thai food and Thai culture to the town (Madison, Wisconsin) and other visitors. My name is Dutdao Wonglaka. I was born in Thailand and love to eat and cook. I had an opportunity to open a Thai restaurant so I would like to do my best to serve and show our Thai food and bring more variety of food options to town.

My restaurant is at 2326 Atwood Ave Madison, WI. We have about 38 capacity dine in and 15 capacity for outside patio seating (pet friendly). Also small bar but full option, beer, wine, liquor. Bar will only have seat 3 guests. We love to show the most with food options but along with a full bar option will go great for everyone visiting.

I believe this MonsoonSiam will bring a great time to every visit.

Thank you

Dutdao W.
