To the extent directed by the Employer, or, if applicable, Participants or their Dependents, the Trustee is authorized and empowered with the following powers, rights and duties which shall be exercised in a non-discretionary manner:

5.5 Liability of Trustee. In the event the employer appoints a Trustee, the Trustee shall not incur any liability for any act or failure to act unless such act or failure to act is due to its own negligence, willful misconduct or lack of good faith. Specifically, the Trustee may act or rely upon any direction from the Employer, the Administrator, an investment manager or any of the preceding parties' agents to take title to the assets, unless this action involves or results from the Trustee's negligence, willful misconduct or lack of good faith.
