Mark:

I am writing because ACA Roger Allen has been ill, and I do not know if he will be back for the ALRC meeting tomorrow night.

I am very concerned about the ALRC considering modifications to the operation of a licensed establishment while there is a pending proceeding to revoke, suspend, or non-renew a license. Regardless of the merits of the ongoing proceeding or the requested changes, from an administrative standpoint, this is not a good use of the City's resources.

I request than any action on these new changes be deferred until the pending proceeding is resolved.

Thank you.
