Re: Madison Vocational School National Register of Historic Places nomination
211 North Carroll Street

Ms. Veregin,

The City of Madison Landmarks Commission is pleased to review, and enthusiastically support, the nomination to list the Madison Vocational School in the National Register of Historic Places.

The nomination shows that the Madison Vocational School is eligible for listing on the Wisconsin State Register and the National Register by being significant for its architecture in the Late Gothic Revival style as designed by architect Ferdinand Kronenberg, with astylistic utilitarian additions designed by Law, Law, Potter and Nystrom.

Thank you for the opportunity to provide comments.

Sincerely,

Stuart Levitan
