**Subject:** Contact Water Utility Board

**Message:**

As a member of the East Side Water CAP, I am in need of child care reimbursement. To attend a long meeting, I paid out of pocket 50 dollars. The board needs to put into place in the budget childcare/elder care comp. When I volunteer for WORT, Sybil Augustine, suggested that to their board, and they budgeted for it. This has been a problem in recruitment too. We need to offer child care for these shorter meeting too.

Your truly,  
Mary Jo
