	Action Text: Assistant Chief Patterson from the Madison Police Department shared information on the resolution indicating that it would be for potential reimbursement from the FBI and the Department of Justice. The Madison Police Department has a working partner relationship with the FBI and the last couple of years there has been an increase in violent crimes with attempted homicides/homicides that has also increased the workload for detectives and the Violent Crime Unit. The resolution would recoup costs that have increased over the last several years.
