Thank you so much for implementing the W Washington lane reduction at the SW commuter path. I live in the Greenbush and bike and drive frequently through this intersection.

It is now so much safer for pedestrians and bicyclists, and I haven't noticed any adverse impact on cars. It also improves the flow towards the road/bus improvements as we approach the Capitol.

No driver wants to hurt or kill someone. It will haunt them the rest of their lives. Please make the lane reduction permanent.

Thank you for your excellent work to take care of everyone on the street.

Janet Murphy
