RE: Consideration of a conditional use in the Neighborhood Mixed-Use (NMX) District for a two-family dwelling – two unit to allow an office building to be converted into a two-unit residence at 3602 Atwood Avenue (Legistar ID [93509](#), LNDUSE-2026-00026).

Roger,

On July 13, 2026, the Plan Commission found the standards met and **conditionally approved** the conditional use for 3602 Atwood Avenue. In order to receive final approval of the conditional use and for any other permits that may need to be issued for your project, the following conditions shall be met:

Please contact Brenda Stanley of the City Engineering Division at (608) 261-9127 if you have any questions regarding the following one (1) item:

1. Serve each unit of a duplex building by a separate and independent sanitary sewer lateral or put in place an ownership/maintenance agreement (recorded) prior to plan approval. (POLICY)

Please contact William Putnam of the City Traffic Engineering Division at (608) 266-5987 if you have any questions regarding the following ten (10) items:

2. The applicant shall submit one contiguous plan showing proposed conditions and one contiguous plan showing existing conditions for approval. The plan drawings shall be to engineering scale and include the following, when applicable: existing and proposed property lines; parcel addresses; all easements; vision triangles; pavement markings; signing; building placement; items in the terrace such as signs, street light poles, hydrants; surface types such as asphalt, concrete, grass, sidewalk; driveway approaches, including those adjacent to and across street from the project lot location; parking stall dimensions, including two (2) feet of vehicle overhang; drive aisle dimensions; semitrailer movement and vehicle routes; dimensions of radii; and percent of slope.

3. The Developer shall post a security deposit prior to the start of development. In the event that modifications need to be made to any City owned and/or maintained traffic signals, street lighting, signing, pavement marking and conduit/handholes, the Developer shall reimburse the City for all associated costs including engineering, labor and materials for both temporary and permanent installations.
4. The City Traffic Engineer may require public signing, marking and street lighting related to the development; the Developer shall be financially responsible for such signing, marking and street lighting.
5. All parking facility design shall conform to MGO standards, as set in section 10.08(6).
6. "Stop" signs shall be installed at a height of seven (7) feet from the bottom of the sign at all class III driveway approaches, including existing driveways, behind the property line and noted on the plan. All directional/regulatory signage and pavement markings on the site shall be shown and noted on the plan.
7. The applicant shall show the dimensions for the proposed class III driveway including the width of the drive entrance, width of the flares, and width of the curb cut.
8. All existing driveway approaches on which are to be abandoned shall be removed and replaced with curb and gutter and noted on the plan. Terrace shall be restored and seeded with grass.
9. The applicant shall adhere to all vision triangle requirements as set in MGO 27.05 (No visual obstructions between the heights of 30 inches and 10 feet at a distance of 25 feet behind the property line at streets and 10 feet at driveways.). If applicant believes public safety can be maintained they shall apply for a waiver of MGO 27.05(2)(bb) - Vision Clearance Triangles at Intersections Corners. Approval or denial of the waiver shall be the determination of the City Traffic Engineer. Contact Jeremy Nash with Traffic Engineering at 608-266-6585 or jnash@cityofmadison.com to begin waiver process.
10. The applicant shall provide a clearly defined 5' walkway from their entrance to the public sidewalk clear of all obstructions to assist citizens with disabilities, especially those who use a wheel chair or are visually impaired. Obstructions include but are not limited to tree grates, planters, benches, parked vehicle overhang, signage and doors that swing outward into walkway.
11. Developer shall provide a recorded copy of any joint driveway ingress/egress and crossing easements and shall be noted on face of plan.

Please contact Matt Hamilton of the City Fire Department at (608) 266-4457 if you have any questions regarding the following one (1) item:

12. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D. Additional information is available at the Home Fire Sprinkler Coalition website: <https://homefiresprinkler.org>

Please contact Brian Kowalski of the City Parks Division at (608) 243-2848 if you have any questions regarding the following one (1) item:

13. Park Impact Fees (comprised of the Park Infrastructure Impact Fee, per MGO Sec. 20.08(2)), and Park-Land Impact Fees, per MGO Sec. 16.23(6)(f) and 20.08(2) will be required for all new residential development associated with this project. This development is within the East Park-Infrastructure Impact Fee district. The Park Impact Fee ID# for this project is 26034. Visit <https://www.cityofmadison.com/parks/about/impactFees.cfm> for information about Park Impact Fee rates, calculations, and payment process.

Please contact Josh Sherrod of the City Engineering Division - Mapping Section at (608) 266-4831 if you have any questions regarding the following four (4) items:

14. Traffic Engineering is requiring a clearly defined sidewalk connection to the public sidewalk. This and all improvements and the existing sidewalks shall be shown on the final site plan.
15. The apartments will use a Dennett Dr address. The addresses will be determined when addressing floor plans are received.
16. The site plan shall reflect a proper street address of the property as reflected by official City of Madison Assessor's and Engineering Division records.
17. Submit a site plan and a complete building Floor Plan in PDF format to Lori Zenchenko (lzenchenko@cityofmadison.com) that includes a floor plan of each floor level on a separate sheet/page for the development of a complete interior addressing plan. Indicate the primary entrances to each unit. Provide a directional true north arrow.

The Addressing Plan for the entire project shall be finalized and approved by Engineering (with consultation and consent from the Fire Marshal if needed) PRIOR to the verification submittal stage of this LNDUSE with Zoning. The final approved Addressing Plan shall be included in said Site Plan Verification application materials or a revised plan shall provided for additional review and approval by Engineering.

Per 34.505 MGO, a full copy of the approved addressing plan shall be kept at the building site at all times during construction until final inspection by the Madison Fire Department.

For any changes pertaining to the location, deletion or addition of a unit, or to the location of a unit entrance, (before, during, or after construction), a revised Address Plan shall be resubmitted to Lori Zenchenko to review addresses that may need to be changed and/or reapproved.

Please contact Trent Schultz of the City Parking Utility (608) 246-5806 if you have any questions regarding the following one (1) item:

18. The agency reviewed this project and determined a Transportation Demand Management (TDM) Plan is not required as part of the proposed change of use. Per MGO 16.03(3)(a), residential uses with fewer than 10 dwelling units are not subject to TDM Ordinance requirements.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your conditional use:

1. After the plans have been revised per the above conditions, please submit one (1) complete digital plan set in PDF format and any other supporting materials that are necessary, as specified in this letter to sprapplications@cityofmadison.com (note: A 20MB email limit applies and multiple transmittals may be required). The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. A check for the site plan review fee shall be mailed to the City of Madison Building Inspection Division; PO Box 2984; Madison, WI 53701-2984.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. The conditional use approval is valid for three (3) years from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your demolition permit or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please contact my office at 243-0554 or lernest@cityofmadison.com.

Sincerely,

Lisa Ernest
Planner

I hereby acknowledge that I understand and will comply with the above conditions of approval for conditional uses.
