To Whom It May Concern,

I would like to highly recommend Sabrina Madison for City Council. I believe that she would do a stellar job serving out the former alder's term in District 17. Having observed Sabrina works as a Business Owner and Community Member , I can personally attest to her strong work ethic and high level of integrity. As a Sun Prairie Area School District Board Member I have learned a great deal about leadership and relationship building from Sabrina as well.

I have been impressed with hher sound judgment and passion for uplifting this community. Sabrina has a heart for Madison , and her work at the Progress Center for Black Women has proven that to me. She is not afraid to back up herbeliefs with a commitment of her time and effort!

Sabrina exhibits a remarkable balance of attention to detail with practicality.She is able to deal with a variety of people and personalities, yet not lose her cool, and still get the job done. I see that as a gift that will be of great value to our City Council and the citizens of Madison.

Kindest Regards,

Alwyn Foster,
Sun Prairie Area School District Board Member
