Greetings ALRC members-

Jeff Fitzgerald attended the January 2010 Schenk Atwood NA meeting to present his ideas for a license to sell bottled beer to his customers. He described a growing national trend of bike cafes as social gathering spaces and hopes to provide something similar. The SASY Council voted to support the application.

Tonight I held a meeting for adjacent property owners. One person showed up in support, she has emailed a letter for distribution to commissioners. The meeting was useful because ACA Brist was able to attend. He helped identify some of the issues the applicant may face and indicated his interest in doing more research.

I support the application but if referral makes sense, then I support referral in order to address the outstanding questions.

Thanks for all you do,

Alder Marsha Rummel
