From: Larry D. Nelson, City Engineer

Subject: Referral of items 5 and 6 on the Common Council Agenda of September 20, 2005.

I request that the Common Council recess the public hearing for items 5 and 6 to the **November 8, 2005** Common Council Meeting.

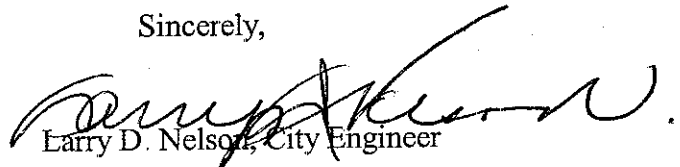

Item 5, Approving Plans, Specifications, and schedule of assessments for Interstate Commerce Park – Phase 1 Assessment District – 2005 and amending the 2005 Capital Budget by \$1,770,360.

Item 6, Approving Plans, Specifications, and Schedule of Assessments for Lien Road Assessment District – 2005

The referral of item 5 is necessary because the Autumn Lake Plat has not been recorded. The referral of item 6 is necessary because the Interstate Commerce Park Plat is not recorded. The approval of the special assessments can't occur until such time as the plat is recorded.

Please feel free to contact me if you have any questions.

Sincerely,

Larry D. Nelson, City Engineer
