Dear «Salutation»:

Residents in your district will soon receive a notice that Madison Gas and Electric Company (MGE) will be contracting for tree pruning in their neighborhood during 2019/2020. I have attached a sample of that notice for you.

MGE is required to apply for a permit to prune City-owned trees. We will be submitting our annual tree pruning plan and request for permit to the Habitat Stewardship Subcommittee at their May 15, 2019, meeting. Customers who have concerns about our plan are encouraged to attend that meeting. The Habitat Stewardship Subcommittee will meet in Room 103, Goodman Maintenance Facility, 1402 Wingra Creek Parkway, at 4:30 p.m.

The resources attached to this email should be helpful if you receive any questions about MGE tree pruning. For your convenience, I have attached a district map with the planned work area highlighted and a sample of our notification cards. Additional information can be found on our website at [www.mge.com/environment/trees-landscape/tree-pruning.htm](http://www.mge.com/environment/trees-landscape/tree-pruning.htm).

If you have questions about our tree-trimming policy or annual plan, please call me at 252-7186 or email [cbrodbeck@mge.com](mailto:cbrodbeck@mge.com).

Sincerely,

Cathy Brodbeck  
Forestry Supervisor
