

Hello, I am writing this to express my opposition to constructing a five story apartment building at the corner of Whitney Way and Old Middleton Rd. Aesthetically it will be grossly out of scale with the rest of the neighborhood, and an eyesore. I live at 501 N Whitney next door in a 3 story apartment which is older. My concern is that this will promote more building of apartments and my place will be torn down next. I love this area, and this is the only apartment that I could find with a balcony that I could afford. The cost of living is very high, and I don't want to be forced to live in a lousy neighborhood. Thank you for allowing me to express my views.
