Contact: Kevin Burow

Kburow@knothebruce.com

Introduction:

This proposed mixed-use development involves the development of 922 -930 N Fair Oaks Ave. & 3357 – 3375 E Washington Ave. located at the southern corner of E. Washington Ave. and N. Fair Oaks Ave. Located within the Carpenter-Ridgeway Neighborhood, the site is currently occupied by four rental properties and six commercial buildings. This application requests permission for a mixed-use building with over 60 dwelling units as well as the rezone of the properties at 3357 - 3375 E. Washington Ave. and removal of the existing buildings at 3357 - 3375 E. Washington Ave. and 930 N. Fair Oaks Ave. for the development of a new 5-story, 171-unit mixed-use building consisting of one- two- and three-bedroom units and a 2-story townhome with (6) three-bedroom units. The 922 -930 N Fair Oaks Ave & 3361 – 3375 E Washington Ave. addresses are currently zoned CC-T and will remain CC-T zoning for the proposed redevelopment, while the 3357-3359 E. Washington Ave. addresses are currently zoned TR-VI and will change to CC-T zoning for the proposed development.

Demolition Standards

The existing buildings were most recently used as commercial buildings and rental properties. The site is located in an area that has been identified in the City of Madison Comprehensive Plan as desirable for higher density residential use. We are proposing the existing 930 N Fair Oaks and 3357 - 3375 E. Washington Ave. buildings be demolished; the 922 & 926 N. Fair properties were approved for demolition at the March 3, 2025 Plan Commission meeting. All demolition standards will be met, and a

Re-use and Recycling Plan will be submitted prior to the deconstruction of the existing structures. It is not economically feasible to move or reuse the existing structures.

The buildings will be demolished using a backhoe; no explosives will be used for demolition. During demolition, concrete, brick and block from walls will be separated or hauled off site for reuse as clean fill or recycled as base material. Metals from the structure, electrical, ductwork, piping, windows and building materials will be separated and placed in the metal salvage/recycle containers. Asphalt will be hauled to an asphalt plant for recycling.

The demolition of the structures will occur in the Summer of 2026 and take no longer than 6 weeks to complete.

Project Schedule:

It is anticipated that construction will start in Fall 2026 and be completed in Fall 2027

Thank you for your time reviewing our proposal.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin Burow". The signature is fluid and cursive, with the first name "Kevin" and last name "Burow" clearly distinguishable.

Kevin Burow, AIA, NCARB, LEED AP
Managing Member

Subject: 922-930 N Fair Oaks Ave / 3357-3375 E Washington Ave Project - 30 Day Notice of Land Use Application

Good afternoon Alder Matthews,

This email is to serve as an official notification of our intent to submit Land Use Application for the 922-930 N Fair Oaks Ave / 3357-3375 E Washington on June 16 in order to present a potential development at the August 11, 2025 Plan Commission meeting.

This Land Use Application submittals will be to rezone the 3357 & 3359 E Washington Ave properties, and demolish the existing structures at 3357-3359 E Washington Ave as well as 930 N Fair Oaks.

Previously we submitted a Land Use Application to rezone the 922 & 926 N Fair Oaks properties as well as demolish the 3361-3375 E Washington Ave and 922 & 926 N Fair Oaks properties. This will be to ultimately obtain approval to construction a 162-unit multi-family property.

Please let me know if you have any questions or need any additional information.

Thank you,
Lisa Ruth
