

Resolution Requesting the City of Madison Work With
the Spring Harbor Neighborhood Association on the
Lake Mendota Drive Reconstruction Project Plan
February 28, 2022
Resolution 2022-01

BE IT RESOLVED that Spring Harbor Neighborhood Association at its meeting on February 28, 2022, approved the following resolution and determined that it should be submitted to the City of Madison in connection with its planning of the Lake Mendota Drive reconstruction project:

WHEREAS, the membership of the Spring Harbor Neighborhood Association is concerned about the speed of the design of the Lake Mendota Drive reconstruction project, the Association officially requests the City of Madison to slow down the Lake Mendota Drive reconstruction project timeline to allow the Spring Harbor Neighborhood Association to work with the City on the Lake Mendota Drive design plan.

THEREFORE, the Spring Harbor Neighborhood Association requests that the City of Madison Engineering meet with its Adhoc Committee regarding the Lake Mendota Drive project design as promptly as possible.
