I support sidewalks on the north side of Harvey, to complete continuous sidewalk from Blackhawk Ave to Ridge St. I disagree with the need for sidewalks on the south side of Harvey, for the one block plus to connect from Blackhawk to 3325 Harvey St. That part of the project, as proposed, will cause the nearly entire removal of the mature tree canopy over one and one-half blocks of Harvey St. I appreciate the three City engineers (Steve Sonntag, Brad Hofmann, Ike Okafor) who met with neighbors on Oct. 10 to discuss our options.
