I'm an avid bicyclist in District 13 who often rides to the existing Pick N Save but the Option 4 for the new Cedar St looks like an a disaster.

It's going to send drivers scurrying through the neighborhood looking to find a way north on Park St or south on Beld

Did anyone consult with the business owners or those who might frequent the new development?

Don't let a few loud voices mess this up with trying to turn Park St into something it isn't. It's an automobile corridor not a bike way.
