## **Diversity, Equity, and Inclusion Survey Overview**

Every two years, Madison Water Utility distributes a survey to all employees, used to help gain a sense of our strengths and areas we need to improve in as an organization. With equity and inclusion at the forefront of the utility's priorities, starting in 2022, we began alternating between the traditional Employee Engagement & Communication Survey (Gallop) and the Diversity, Equity & Inclusion (DEI) surveys every two years.

This decision is part of the Department Equity Team's concerted effort to achieve a greater level of diversity, equity, and inclusion within Madison Water Utility and throughout the communities we serve.

This year, the first DEI survey was administered to all employees. The purpose of the survey was to gauge employee experience, perspectives, and competency toward diversity, equity, and inclusion.

### Survey specs

Anonymous

14 questions – divided into four (4) topic sections:

- Communications
- Experience, Perspectives, and Competency
- Leadership and Organization
