

## REFUSE COLLECTION

# Rules & Regulations

Refuse is collected every week by the Streets Division. Failure to follow the below instructions may result in your refuse material not being collected.

### Using the Tan Refuse Cart

- » Collection schedule calendars that show what day to place carts to the curb are available at [cityofmadison.com/collectionschedule](http://cityofmadison.com/collectionschedule).
- » Do not place recycling, brush, leaves, yard waste or other inappropriate items into the cart. Carts containing inappropriate items will not be collected.
- » Any refuse item that can fit into the collection cart should be placed inside it, including lumber, toilets, small pieces of furniture, etc.
- » Keep the cart lid closed when out for collection, and nothing should stick out more than 18 inches from the top of the cart.

More specifics regarding the use and placement of the collection carts can be found on [cityofmadison.com/streets](http://cityofmadison.com/streets).

### How to Handle More Refuse Than Will Fit into the Cart

- » Option 1: Bring excess material to a drop-off site.
- » Option 2: Talk with a neighbor to see if they have space for your refuse in their cart.
- » Option 3: Hold the excess refuse until the next week's collection.
- » Option 4: Obtain a larger refuse cart by contacting the Streets Division.
- » Option 5: Purchase an additional refuse cart by contacting the Streets Division. (Limit of 4 refuse carts. More than 4 refuse carts will result in additional yearly fee.)

### Move Out / Household Clean Up Instructions

Residents meeting the below requirements will be collected by the Streets Division as part of the regular refuse collection. The Streets Division will perform this service on two consecutive weeks only, or at the discretion of Streets Division staff. Move outs that are too large for Streets Division crews to handle will not be collected.

- » Must have a full refuse container and six or more 30-gallon bags of refuse.
  - Fewer than 6 bags will not be collected.
  - Material must be bagged. Loose refuse and material in boxes or other containers will not be collected.
- » Bags of material must not weigh more than 40 pounds apiece.
- » Please keep extra bags of refuse separate from any large items also set out for collection.

### Building Material – Minor Projects

Collection of building material is limited to debris related to home improvement projects performed by the homeowner.

- » Work performed by a contractor will not be collected.
- » Building material must be bagged and the total weight of the material must not exceed 250 pounds.
  - Each bag must not exceed 40 pounds.
- » Refuse cart can also be used for building material.

### Drop-Off Sites

Sites can only be used by City of Madison residents. Proof of residency is required prior to use. Contractors may not use the site. Non-residents and contractors will be denied use of the site. Residents are restricted to one trip a day, and loads must not exceed what would fit into the back of a standard pick-up truck or a 5' x 8' trailer. Oversized loads will be denied use of the site.
