Community Paramedic Proposal

General Service agreement

Ryan Brothers Ambulance and Braxton Place Apartments/Triangle Clinic

May 21, 2015

The RBA Community Paramedics would be available to the Triangle Clinic 2 days a week. Tuesday and Thursday would be a good place to start. These days can be altered. Mid-Morning to mid-afternoon hours would be good choice at first. I am suggesting 10:00 – 14:00 as a beginning time slot. This too can be altered as clinic use changes.

1. Patient assessments to include:

- **Vital sign assessment**
- Blood Pressure
- Oxygen Saturation
- Heart rate
- Respiratory rate
- Lung Sounds
- Temperature
- Lower Extremities check including feet (edema & sores)

2. **Blood Glucose Monitoring**

- Tracking non-compliant patients
- Coaching patients

3. **Wound checks**

- Wound care
- Wound cleaning
- bandaging

4. **E/N/T exams**

- Using an otoscope to check ENT

5. **Optional:**

- Advance care directives (living will) and assistance filling out
- Referral to an ED in appropriate cases
- Non-emergent transport to an ED by RBA in applicable cases

All RBA Community Paramedics have a minimum of 10 years' experience as a paramedic and most are Critical Care Paramedics.
