

Raymond Road Fiber Conduit Project

The City of Madison will be extending fiber conduit in the City of Madison beginning in June and ending in July. There will be a public hearing before the City of Madison Board of Public works on Wednesday, June 20, 2012 at 5:30pm in Room 108 of the City County Building, 210 Martin Luther King Jr. Blvd., Madison, WI. Contractors, hired by the City of Madison, will bury the new conduit within the right of way, under the sidewalk and in the grass terrace, at the following locations:

- Conduit installation will begin at the intersection of Midtown and S. Gammon Road. The conduit will be installed on the west side of S. Gammon Road and continue south to Raymond and S. Gammon Road. The conduit will then continue east on the south side of Raymond Road terminating at the intersection of Raymond Road and McKenna Blvd.
- The conduit installation will start again at the intersection of Whitney Way and Raymond Road and continue east in the boulevard to the intersection of Reetz and Raymond Road. The conduit will continue north on the east side of Reetz Road to the intersection of Reetz and Freeport Road. On Freeport road the conduit will continue on the south side until it turns north and crosses Freeport Road to the west side of the street. The conduit will continue north on the west side of Freeport Road to the intersection of W Beltline Frontage and Freeport Road. The installation will turn east onto the south side of W Beltline Frontage Road and continue east and terminate at the Commuter path.

Restoration of any damage within the limits of the project, in the right of way, will be restored in accordance with the City of Madison standard specifications. If any persons have additional questions of concerns regarding this project please call Todd Anderson at 608-561-8626 or the City of Madison Civil Engineer III, LeAnne Hannan at 608-266-4057.
