Dear ALRC (copy Alder Evers, D13):

With regards to ALRC 4/16/25 Agenda Item #10 (legistar #87811), the Vilas Neighborhood Association (VNA) submits the following comments and request:

At the VNA meeting on 4/9/25, the owners of Fyasyde Kitchen, 1925 Monroe Street, discussed their entertainment license application and answered questions. The VNA supports approval of this application and no concerns were raised. We would, however, request that the following condition be added to the license:

"All music will cease at 11pm, with the exception of New Year's eve, consistent with the condition to cease alcohol sales"

This simply closes a potential loophole to cease alcohol sales at 11pm but continue the music later. This is not the intention of the applicants and was amenable to them when discussed on 4/9 - it's simply to close a potential loophole with a written condition.

Thanks for your consideration,  
-Doug Carlson, VNA President
