Letter of Intent to Landmarks Commission

Demolition of Principal Structure
Located at 633 W Main Street

Dear Landmarks Commission,

This Letter of Intent is submitted for your consideration for demolition of the existing principal structure located at 633 W Main Street. The building is currently a single-story office building located in the Bassett Neighborhood and is zoned UMX.

The building proposed for demolition is a single-story commercial office structure. The building was built in 1945. At the time of this letter of intent the architect, builder and first occupant are unknown. The property was purchased from the AJ Sweet Company, a produce wholesaler, and was converted to an office use in 1995 for the Wisconsin Chapter of The Nature Conservancy who recently vacated the building.

The applicant is requesting approval to demolish the existing structure as part of the evaluation and future redevelopment planning for the site. The current development being evaluated is a boutique hotel that will comply with the current UMX zoning requirements for new developments.

Proposed Demolition Method

Demolition activities are anticipated to include:

- Disconnection and termination of all utilities serving the property prior to commencement of work.
- Interior demolition and removal of non-structural materials as required.

- Mechanical demolition of the principal structure using conventional demolition equipment.
- Removal and lawful disposal or recycling of demolition materials.
- Site grading and stabilization following completion of demolition activities.

All demolition work will be performed by qualified contractors in accordance with City of Madison requirements and applicable state and federal regulations, including erosion control, dust mitigation, noise control, and public safety requirements.

Estimated Timeline

Subject to City approvals and contractor scheduling, demolition is anticipated to occur in late 2026 or early 2027. The demolition work itself is expected to take approximately one week, weather permitting.

Please contact me with any questions regarding this application.

Sincerely,
