Subject: Re: The Badger Herald story on proposed 3414 Monroe St. redevelopment...

To: John Imes

As I remarked earlier I live two streets away on Minakwa Drive, and Gates & Brovi has changed what was an out of the way little neighborhood into a giant parking lot. On more than a few occasions I've been barely able to turn into my driveway because of how packed the street is from customers. Thank you Landmarks Commission, and I'm not sure what neighborhood they think supports the development, but it's not mine.
