From:

Bram's Addition Neighborhood Association
Subcommittee addressing Property sited at 1817-1821 Park Street

To ALRC Members, our Alder and Public Servants,

Recommendations for current and future use of property so as to continue to be of value to Neighbors and Residents of Bram's Addition. Committee finds current occupants: Restaurant, Laundromat, other businesses there - etc., + Rental home with family dwelling there are good for all.

Committee strongly recommends future use of said site ~ so as to continue to serve people & operate under daytime and early evening hours so as to serve all age groups.

Ideal hours of operations are days for restaurant from subcommittee's recommendations with hours going to and ending at 10pm or earlier as other nearby businesses have been successful for years with these hours.

This document was created for the express purpose of providing guidance to those who serve us.

Thank You ~

Sincerely,

Cheryl Roeben

Representing Bram's Addition Neighborhood Association
