1. Applicants or their agents are requested to register, appear, and explain their proposal. Applicants are also requested to remain for questions until their item is voted on.
 Members of the Commission may have questions of the speakers when they are finished. However, speakers are not required to answer any questions. The Commission will not engage in discussion or debate with the speakers. All questions directed to the Commission shall be addressed to the Chair.
2. Public Hearing items may be called at any time after the beginning of the public hearing. The Plan Commission uses a consent agenda, which means that the Commission can consider any item at 6:00 p.m. where there are no registrants wishing to speak in opposition regardless of its placement on the agenda.
3. The most effective statements are brief, well organized, and avoid repetition. If you agree with the statement of a prior speaker, please so indicate rather than repeating those statements.
4. The Commission is appointed to represent not only those present at the hearing but all citizens. The Plan Commission is advisory to the Common Council on rezoning and subdivision plat matters.
