Dear Alcohol License Review Committee,

I am writing as a residential neighbor living close to Taco Local. We have lived with our five year old son at 725 Jenifer Street for four years.

We support their request to extend their hours and to have a patio. We really love to eat at Taco Local with our family. We love the ambience, the kind staff, the good food. We love the Latin Jazz Nights. We love coffee and pastries and breakfasts for weekends and business meetings. Taco Local is one of the reasons we love to live in the neighborhood--enjoyable places we can walk to.

Taco Local adds welcome character and life to our community. An extended patio will make the experience there even better.

As we said, places like Taco Local are why we love living in our community. As a neighbor, we whole-heartedly support their application for a patio and extended hours.

Best,
Julia and Kristopher Steege-Reimann
