Dear Mr. Martin:

Re: North wing develop. of Hilldale
Mall to outside shops

I will be unable to attend the 9/25/13
meeting of the Urban Design Commission. Hence,
this letter.

I feel the redesign to eliminate the ~~indoor~~
north wing ^{indoor mall} and later the west wing, ^{indoor mall} I understand
is absolutely disgusting.

For all these years the indoor mall
has been a most warm, welcome, pleasant
experience in our cold winters. As for the
outdoor shops that are there already - I
never have used them. Such specialty shops
aren't used by most people I know either.

Sincerely,

Donna Meesdink
