4800 Buckeye Road

To all the neighbors surrounding 4800 Buckeye Road Residential Design Build LLC a local small builder owned by Brad and Rick North have an offer to purchase said house which has been gutted by a fire and is uninhabitable. We wish to demolish home and build in its place a 1500 sq ft story residential home which we believe will enhance and compliment the neighborhood. We are asking for your support to take to City Planners to move forward. Your approval and signatures would be appreciated.

Thank you,

Brad & Rick North
