DATED: 7/11/18

ID NUMBER: 52227

Members present were: David WJ McLean, Richard Arnesen, Marsha A. Rummel, and Lon Hill.
Members excused were: Stuart Levitan, Anna V. Andrzejewski, and Katie Kaliszewski.

SUMMARY:

Staff explained that the property was damaged by a vehicle, and she has already administratively approved a Certificate of Appropriateness for the repair of the building. The property owner would also like to add a vestibule to the main entrance, which is a new element that she wanted the Commission to review.

Hill asked if the door nearest the outside is in the original position. Staff stated that it is not. Hill asked if everything is pushed back a little bit, and staff confirmed, stating that there will no longer be a door in the original condition because they are moving it toward the interior of the restaurant in order to add another door midway.

ACTION:

A motion was made by Arnesen, seconded by Rummel, to approve the request for the Certificate of Appropriateness. The motion passed by voice vote.
