Fiscal Note

The 2020 Adopted Capital Budget includes \$4.0 million in the Transportation budget for Bus Rapid Transit (BRT). In 2020, funding will be used for planning and design associated with BRT. A component of this work is completion of a route analysis regarding Metro’s existing service. It is anticipated there will be no additional appropriation required to award this contract once the RFP process is completed.

Title

Authorizing the issuance of a Request for Proposals (RFP) for a Metro Transit Network Structure Study

Body

WHEREAS the City of Madison is advancing into the federal Project Development process for implementing the Phase 1 East-West Bus Rapid Transit (BRT) project, and there is a need to evaluate and coordinate how the many local bus routes serving the City will interact with the BRT line; and,

WHEREAS the project will include provision of options that are guided by a variety of goals and objectives as detailed in the scope of work; and,

WHEREAS the scope of work for the project will include an evaluation of several transit network alternatives, an identification of how various transit customers would benefit or be impacted by the alternatives, an identification of how the network alternatives affect underserved neighborhoods and communities of color, a projection of how ridership would vary under the alternatives and an identification of any infrastructure costs associated with the alternatives;

NOW THEREFORE BE IT RESOLVED that the Department of Transportation is authorized to issue an RFP for a Metro Transit Network Structure Study; and,

BE IT FINALLY RESOLVED that the RFP process and Metro Transit Network Structure Study will be administered by the Department of Transportation which will make regular reports to the Transportation Policy & Planning Board.
