Dear Property Owner:

The City of Madison has levied a special assessment on your property as shown on the enclosed Common Council resolution. This is an estimated assessment. When construction has been completed, the actual cost of the improvement will be determined. The amount of the assessment will then be adjusted accordingly, and a formal bill sent to you. The final bill will be equal to or less than the estimate unless you authorize additional work.

When you receive the bill, there are two options for payment: (1) the entire amount may be paid without interest by October 31 of the year you receive the bill (usually the next calendar year after the actual construction); or (2) if not paid in full by October 31, the assessment may be paid in installments with one equal part of the assessment plus interest included on your tax bill at the end of each year. Interest on each installment is calculated at three percent (3.0%) per year. In the first year of the assessment, interest is calculated only from the date of bill.

There may be situations, such as selling or refinancing your property, where you will be required at the closing to pay the estimated assessment before the work is completed. If the final amount is more than the estimate, any payments you have made will be credited and a bill sent out for the difference. If the final bill is less, any overpayment of principal and interest will be refunded. Refunds will be issued to the owner of record at the time of refund unless you provide the Finance Department with other refund instructions separate from the payment itself.

If your gross annual income is less than \$47,600 (for a single person, more for a family) and you live on the property where the work is done, you may qualify for a loan to pay the assessment. For information on the loan criteria, call (608) 266-4008.

We hope this letter will assist you in understanding the special assessment payment procedure. If you have any questions, please contact the City Finance Department, Room 406, 210 Martin Luther King, Jr. Blvd. or call (608) 266-4008.

Sincerely,

David Schmiedicke

**RESIDENTIAL DRIVEWAY OPENING**  
**REQUEST**

The street which abuts your property is scheduled for reconstruction. Drive aprons will be removed and replaced. Abutting the sidewalk, the new drive apron will be constructed to the width of the driveway behind the property line. All new drive aprons will usually be flared 2 feet on each side of the curb opening. If you desire a change in the driveway location or dimensions, it is necessary that you complete the diagram below, sign, and return this form within two (2) weeks to the City Engineering Division, Room 115, City-County Building, Madison, Wisconsin, 53703.

This diagram is not to any scale. Please provide:

1. The width of the driveway;
2. The distances from the edge of the driveway to the property lines;
3. The width of the desired curb opening

Residential curb openings are usually equal to the width of the driveway behind the property line at the sidewalk and an additional four (4) feet at the curb. The additional width at the curb opening is provided to facilitate turns into the driveway from the street and to taper the curb to full height. Depending on the width of the existing driveway, the City Ordinances allow up to a 20-foot wide apron at the sidewalk if necessary and requested by the property owner. In the case of vacant lots, no driveway opening will be made unless this form is returned to the City Engineering Division with the necessary information.

If the requested drive apron is larger than what has been estimated on the attached schedule of assessments, I hereby request that the City of Madison include this additional cost in my assessment for the Street Improvement.
