RE: Consideration of a conditional use in the Suburban Employment (SE) District for a restaurant-tavern at 7005 Tree Lane. (ID [76898](#), LNDUSE-2023-00014)

Dear Alex Weis:

On April 24, 2023, the Plan Commission found the standards met and **conditionally approved** your conditional use for 7005 Tree Lane. In order to receive final approval of the conditional use and for any other permits that may need to be issued for your project, the following conditions shall be met:

Please contact Assistant Zoning Administrator Jacob Moskowitz at (608) 266-4560 if you have any questions regarding the following two (2) items:

1. Maximum Per Section 28.186(4)(b), the property owner or operator is required to bring the property into compliance with all elements of the approved site plans by the date established by the Zoning Administrator as part of the site and building plan approval. Work with Zoning staff to establish a final site compliance date.
2. Signage approvals are not granted by the Plan Commission. Signage must be reviewed for compliance with Chapter 31 Sign Codes of the Madison General Ordinances. Signage permits are issued by the Zoning Section of the Department of Planning and Community and Economic Development.

Please contact Tim Troester of the Engineering Division at (608) 267-1995 if you have any questions regarding the following one (1) item:

3. This site appears to have a land use that will result in their inclusion as a restaurant class sanitary sewer customer. This will charge commercial kitchen facilities a higher sanitary sewer fee per gallon than domestic users and is based on strengths of waste measured at representative similar customers throughout the City. If the applicant desires, a sampling structure may be installed, as part of the initial construction at their cost, to allow site-specific sampling of their waste to

determine sanitary sewer charges specifically for this site. If no sampling structure is installed, this site will default to the restaurant class code in MGO Chapter 35. If you have questions on the restaurant class sewer charges please contact Megan Eberhardt at Meberhardt@cityofmadison.com or 608-266-6432.

Please contact William Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following one (1) item:

| <p>4. Without fire sprinkler protection, the occupant load shall be limited to 99 occupants including staff.</p> |

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your conditional use:

1. After the plans have been revised per the above conditions, please submit one (1) complete digital plan set in PDF format and any other supporting materials that are necessary, as specified in this letter to sprapplications@cityofmadison.com (note: A 20MB email limit applies and multiple transmittals may be required). The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. A check for the site plan review fee shall be mailed to the City of Madison Building Inspection Division; PO Box 2984; Madison, WI 53701-2984.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. The conditional use approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 243-0554 or lmcnabola@cityofmadison.com.

Sincerely,

Lisa McNabola
Planner
