Message:

We are vehemently opposed to any development of 7933 Tree Lane including the project being developed by Heartland Housing, Inc. of Chicago and the City of Madison Community Development Authority to house 46 chronically homeless families.

We have lived in the apartment project adjacent to 7933 Tree Lane, Oakbridge Court Apartments managed by the T.R. Mc Kenzie Company, for over 13 years.

We will move if the project is approved for construction.

Sincerely,

Thomas W. Elliott
